

AHINSA CITY CENTRE MALL

FIROZABAD

A high-street commercial destination — retail, dining and entertainment across five levels in the heart of the city.

DEVELOPED BY

RRR Infratech India Private Limited

THE PROJECT

Developer, positioning and site

Ahinsa City Centre Mall | Firozabad

ABOUT THE DEVELOPER

Built on delivery, not promises

Ahinsa Group, through RRR Infratech India Private Limited, is an Agra-based real estate company established in 2023. The group has taken more than 5,000 units to market across luxury townships and residential plotted developments in Agra, and is now expanding into modern commercial projects.

THE FUTURE OF FIROZABAD

A symbol of pride.

Firozabad has the population, the trade and the appetite for a modern retail destination — but not yet the address to match it. Ahinsa City Centre Mall is designed to be that address: a single high-street commercial hub where shopping, dining and leisure sit together under one roof.

Ahinsa City Centre Mall | Firozabad

SITE LOCATION

MG Road, Firozabad

The site sits on MG Road, minutes from the railway station and the city bus depot, on the corridor that carries Firozabad's daily trade and commuter traffic.

Plot Area

2 acres (approx. 8,104.67 sq. m.)

Vastu Compliant

Planned to vastu principles throughout

High-Street Commercial

Shopfronts addressing the road directly

Experiential Zones

Plazas, atrium and water features

Map is indicative and not to scale. Distances are approximate.

CHAPTER

02

VISION & AMENITIES

What the address offers

Ahinsa City Centre Mall | Firozabad

VISION & CONCEPT

A place that keeps people

BUILT FORM

A fluidic connection between all the spaces, for a seamless experience at site level.

IDENTITY

A binding element across the built form that gives the project a single, unmistakable identity.

FACADE

A more responsive facade that draws planting and daylight into the elevation.

THE PROPOSITION

Why Ahinsa City Centre Mall

Prime Location

On MG Road, minutes from the railway station, with maximum visibility and easy connectivity.

Premium Retail Spaces

Modern shops and double-height showrooms designed to let brands present themselves properly.

Vastu Compliant

The masterplan and unit grid have been laid out to vastu principles throughout.

Experiential Zones

Landscaped plazas, a central atrium and stepped water features that give people a reason to stay.

Modern Infrastructure

Contemporary architecture by ACPL with future-ready building services throughout.

Secure Investment

A rare organised-retail asset in one of Firozabad's fastest-growing corridors.

AMENITIES & BUILDING SERVICES

Everything the address runs on

Shared infrastructure maintained for every unit in the development.

High-Speed WiFi

Wireless internet coverage across common areas for visitors and retailers.

Lifts & Escalators

Passenger lifts and escalators connecting all five retail levels.

Common Washrooms

Clean, well-located common washrooms on every retail level.

Ample Parking

Basement parking planned across two levels with organised circulation.

100% Power Backup

Generator backup on common areas and services so trading never stops.

CCTV Surveillance

Camera coverage across entries, atriums, corridors and parking.

Fire Safety Systems

Fire detection, alarms, hydrants and sprinklers as per norms.

Water & Climate Control

Assured water supply with air-conditioned common areas and atriums.

CHAPTER

03

THE ARCHITECTURE

Exterior, aerial and interiors

Ahinsa City Centre Mall | Firozabad

THE ARCHITECTURE

A facade the city will recognise

Daytime street frontage — ground-level shops open directly onto the pavement

Evening elevation — layered terraces and a lit rooftop level

Artist's impression. Elevations, materials and landscaping are indicative.

THE MASTERPLAN

A linear high street, anchored by a five-level mall

The plan runs shopfronts along the length of the site so every unit gets its own frontage, then steps up into a taller anchor block with the atrium, food court and rooftop terrace.

INSIDE

Built around a central atrium

Central atrium and upper-level walkways — artist's impression.

A full-height atrium with a water feature draws daylight down to the lower ground floor and gives every level a view across the mall. Wide corridors, glass shopfronts and generous seating keep visitors moving through the building rather than past it — which is what turns footfall into trade for the units on either side.

CHAPTER

04

FLOOR PLANS

Lower ground to third floor

Ahinsa City Centre Mall | Firozabad

FLOOR PLAN

Ground Floor

50

Units — shops & showrooms

24,487

Sq ft area

48,973

Sq ft super area

Direct frontage onto the approach road and the landscaped pathway, with the main entrance plaza and drop-off on the road side.

FLOOR PLAN

Lower Ground Floor

50

Units — shops & showrooms

21,437

Sq ft area

42,874

Sq ft super area

Served by a 3,200 mm wide central corridor, with two kiosk positions and dedicated service cores at both ends.

First Floor

45

Units — shops & showrooms

19,951

Sq ft area

39,902

Sq ft super area

Units arranged in two ranks either side of the walkway, opening onto the atrium void with escalator and lift access at the centre.

Second Floor

45

Units — shops & showrooms

19,948

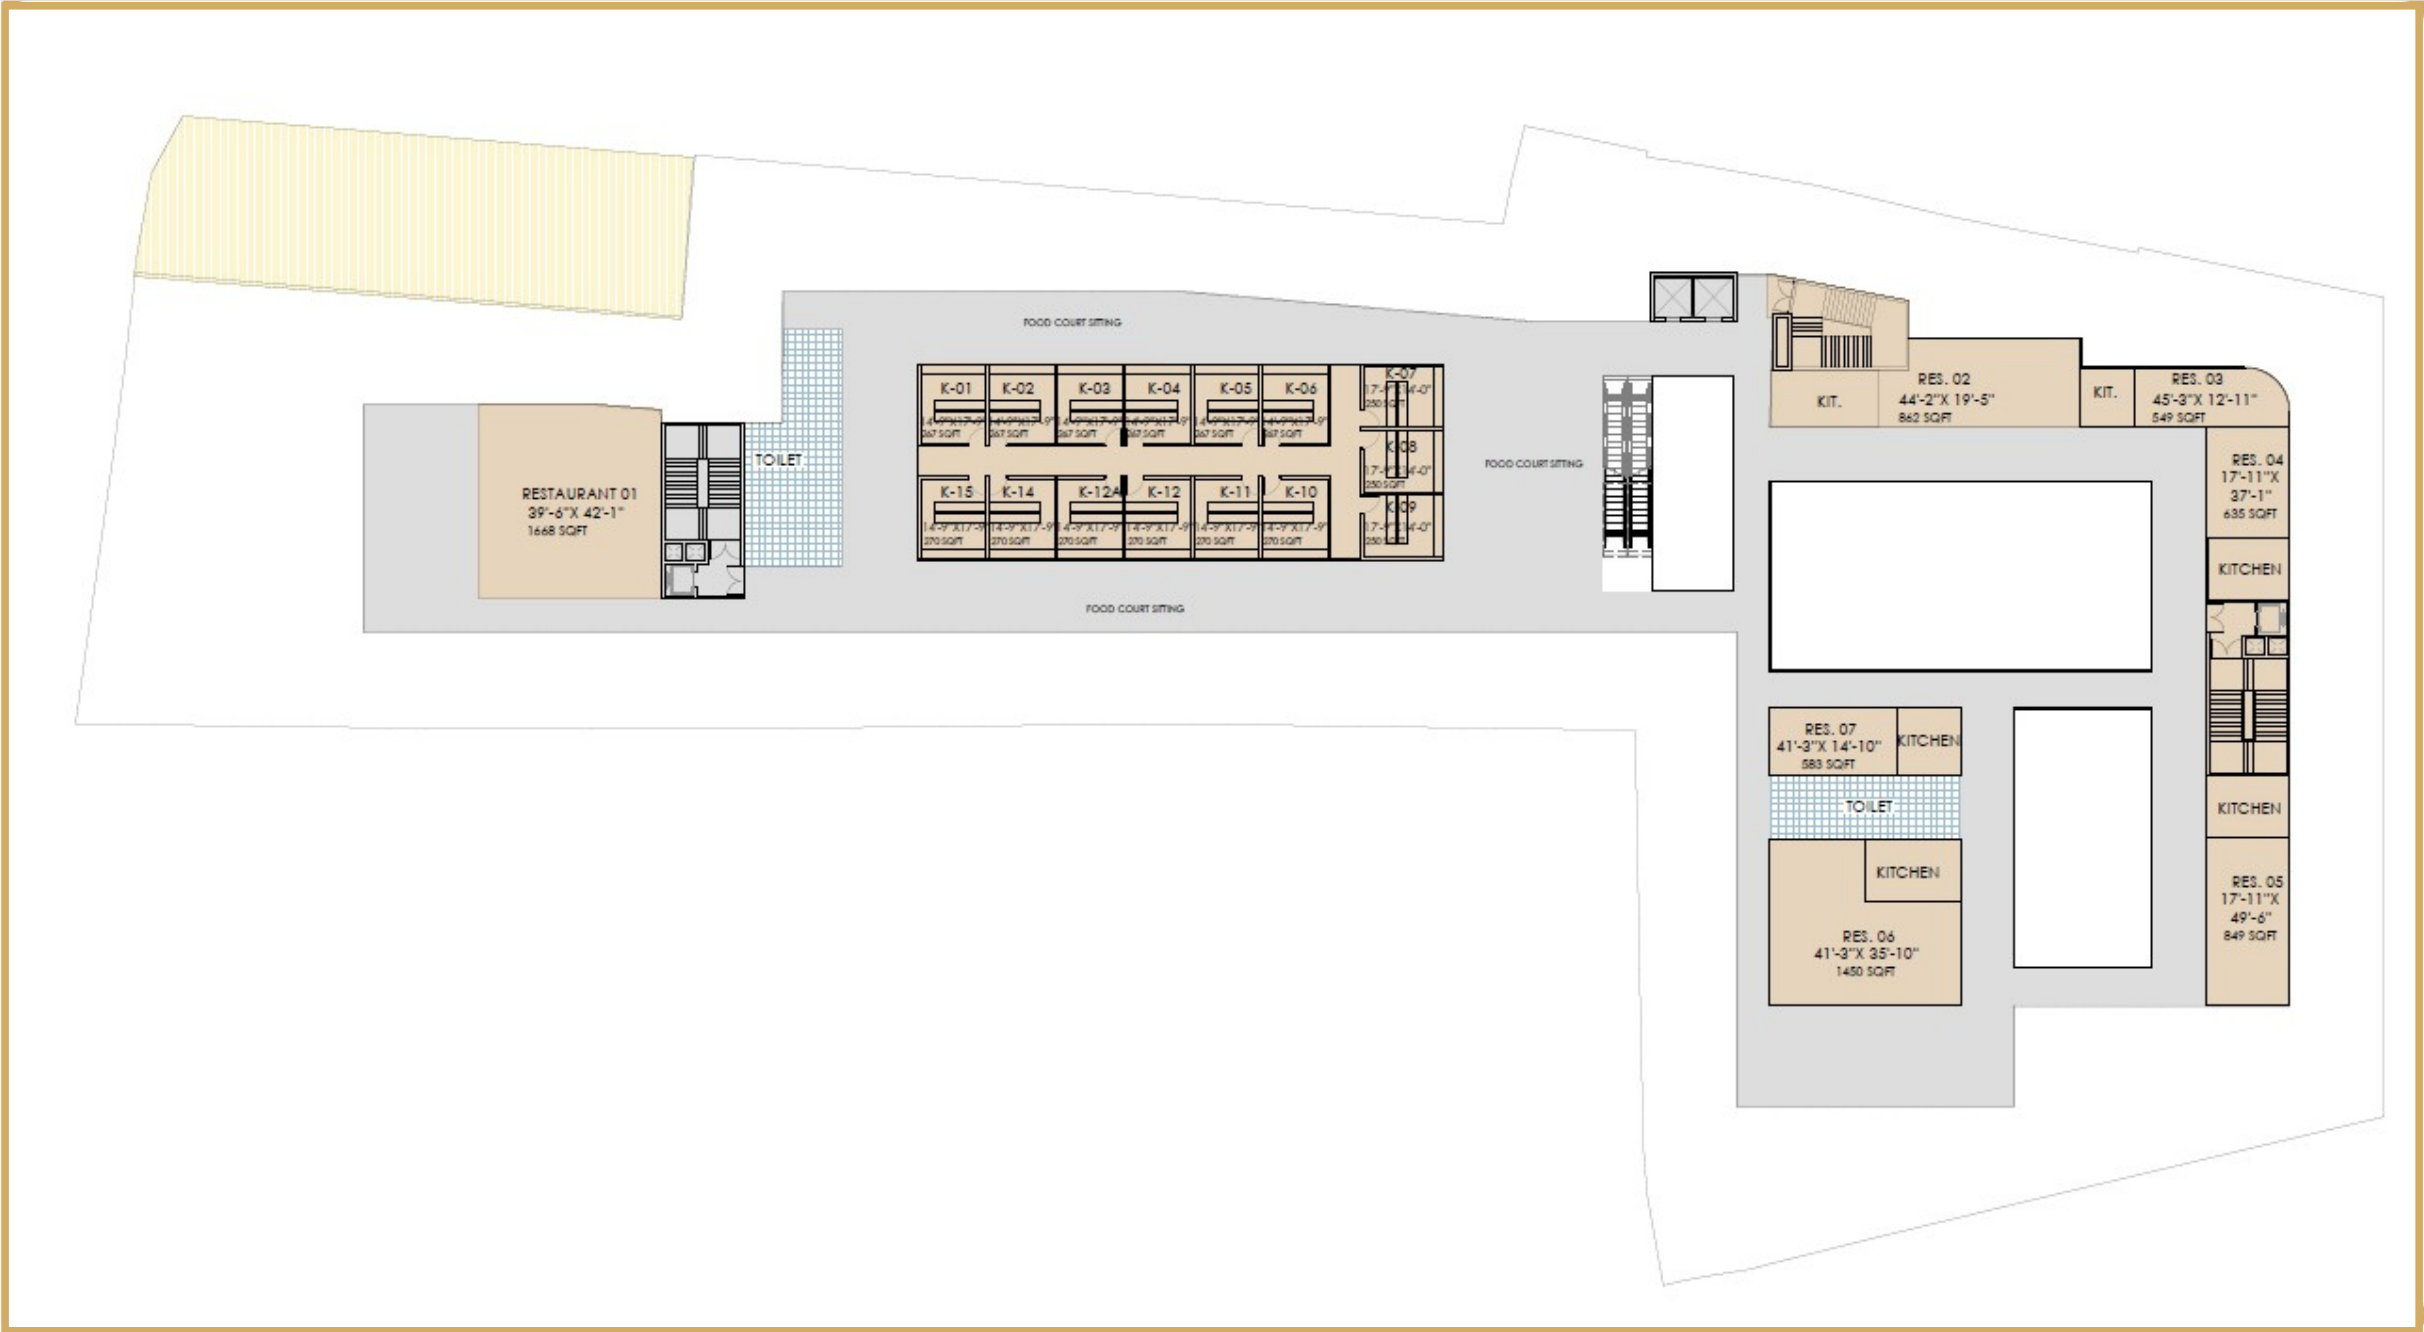

Sq ft area

39,897

Sq ft super area

Repeats the first-floor grid, suited to larger-format fashion, lifestyle and family-entertainment tenants.

Third Floor

22

Units — restaurants & food-court kiosks

10,563

Sq ft area

21,126

Sq ft super area

Seven restaurant units with dedicated kitchens, plus fifteen food-court kiosks around a shared seating deck.
